LAW FOR PRIZE-FIGHTS.

They Can Be Licensed in the State of
Texas After Sept. 1.

DALLAS, Tex., Aug. 1.—Ex-Curcuit Judge
Charles Fred Ticker, who for many years
sat upon the bench and greatly distinguished himself for legal ability and who is regarded as having one of the clearest legal minds in Texas, to-day stated the legal minds in Texas, to-day stated the law governing prize-fighting as follows:

"The last Legislature adopted a new criminal code in which it made prize-fight-ing a misdemeanor, punishable with a fine of not less than \$500 nor more than \$1,000 had the corners of not less than \$500 nor more than \$1,000 and imprisonment for thirty days. This law went into operation July 29, just passed. That Legislature also and subsequently passed a civil code, and in it enacted that a fight may take pace by taking out a license of \$500. This law goes into effect Sept. 1 or thirty days before the Corbett-Fitzsimmons contest. There is no doubt our Supreme Court will hold that it is, or will be, the law after Sept. 1. The civil code was adopted last and therefore will take precedence over the other." take precedence over the other."

This opinion, or rather statement of facts, about these laws is concurred in by every awver in Dallas who has read them, and it will be seen there is no power to pre-vent the fight taking place. Around head-quarters to-day everything is quiet. The sale of seats goes merrily along, not to toughs, for they have no money to pay the price, but to railroad magnates and bank people. It is singular more railway officials have bought tickets than any other

Sporting Notes. Detroit played an exhibition game at Rockford, Ill., yesterday and won by score of 5 to 4. The game scheduled for yesterday at St. Louis with Cincinnati was postponed by consent until to-day. Roat covers lots of ground at short, and Newell is playing a strong third base. The change appears to have done both men

Sixteen hundred people saw yesterday's game. Had it been known that Phillips would pitch the crowd would have been much larger.

Wood is hitting in fine form. Twice yes-terday he put the ball far into the field, giv-ing Roach and Gilks hard chances, which they accepted. Besides these, he hit safely The Anderson Marcons defeated the Fortville club yesterday in a close and interesting game by a score of 11 to 6. Torrence, the Fortville pitcher, struck out thirteen

There seems likely to be no further objection to Indianapolis playing Phillips and Hogriever. The objection is not legitimate, for the two men have been regularly released to Indianapolis by Cincinnati. Right up alongside of Kansas City again. From now on it will be a battle to the death between Motz's men and the Westerners. The pennant is reasonably sure to go to one or the other of these teams. With three such strong pitchers as Indianapolis now has, it should fly from the staff at the Ohiostreet grounds next season.

When Indianapolis purchased Preston's release from Memphis and sent him advance money nothing was known of Louisville's prior claim to that player. The money will be refunded to the Indianapolis club and, after that, Memphis will doubtless be called on to the carpet by the national board of arbitration if there is enough of that team left to call.

The Anderson team will play to-morrow at Greencastle, and on Saturday will play the Madison club. On Sunday the Anderson team will meet Elwood at Anderson for the second game of the series, for a purse of \$300 and the gate receipts. The first game, played at Noblesville, was won by Elwood by a score of 5 to 3. The same teams will play in Noblesville on Monday and in Muncie on Tuesday.

In the seventh inning yesterday Hogriever made a fine steal of third, but in sliding was painfully spiked by Weddige in the hand. Cross took his place as a base-runner, and the injured hand was patched up as well as possible. Hogriever was unlucky in that respect, yesterday, getting his leg cut earlier in the game, while sliding into sec-ond. Last night he had several stitches taken in his hand and leg. He will be in to-day's game all right, however.

WAUSEON MEET

ESTIMATED 8,000 PEOPLE ATTEND-ED THE L. A. W. RACES.

Ray MacDonald Comes Fast and Wins the Half-Mile Open-Titus Took Mile Open 4n 2:10 2-5.

Special to the Indianapolis Journal. WAUSEON, O., Aug. 1.-Ray MacDonald won his first race since the national meet to-day and Harry Maddox added a wellwon first. Surprises came thick and fast at the annual national meet of the Wauseon Cycling Club, Gardiner and Charlie Murphy failed to qualify in their heat of the half-mile open, and Bald ran fourth in the final, being beaten by MacDonald, Zeigler and Rigby. The attendance was over eight thousand. As Wauseon can boast of but two thousand inhabitants, and to-day's attendance was over eight thousand, this is the leading feature of the day. The Wauseon Cycling Club was formed to promote these annual cycle meets. At the first, in 1893, three thousand people attended, last season there were fifty-five hundred, and this year's attendance beats the record. Toledo, Swanton, Bryan, Ligonier, Kendallville and Napoleon each sent delegations with a band.

The mile open race to-day was a great victory for Titus, in 2:102-6, singly paced. Sims took the first half and Kiser the second half. Murphy and Bliss, Gardiner, Zeigler, Bald, Titus, Eddy, Schrein, L. C. Johnson and Brown followed in order named on the turn. Titus dropped back, named on the turn. Titus dropped back, and, rushing past the bunch, caught the lead coming into the stretch, and, with Murphy within a half length back of him, made a game finish. Zeigler ran third, about two lengths ahead of Bald, who was in turn several lengths ahead of Gardiper.

At twenty yards Murphy was scratch man, virtually, in the mile handicap, with Titus and Maddox ten yards in front of him. Murphy caught Titus and held to him while going through the bunch, jumping him on the stretch and winning by a half length. Ray MacDonald's first race since length. Ray MacDonald's first race since the Bridgeport meet was the half-mile open, to-day, in which he jumped for a lead of twenty feet on the turn, and maintained his advantage to the tape. Zeigler closed with him, being a half length behind closed with him, being a half length behind in second position, and Rigby held his position ahead of Bald, winning third by about a foot. The summaries:

CLEVELAND, O., Aug. 1 .- Robert J., the king of light harness horses, met more than his match this afternoon at the Cleveland Driving Park track, and 10,000 people witnessed his humiliation. This was the red-letter day of the Grand Circuit meeting. The weather was nearly perfect, being only a trifle too hot, and the attendance was up to expectations in every respect. There were two regular events on the card, beside the unfinished 2:20 pace, but interest, of course, centered in the free-forall, in which the five famous pacers, Robert J., Joe Patchen, Saladin, Directly and Mascot were entered. Robert J., with his race record of 2:021/2, and a time record of 2:0114, was, of course, the favorite. He was in fact a prohibitive favorite before the second heat. When the horses scored for the first heat, Directly had the pole, but soon after the start Robert J. forged to the front, setting the pace for his competitors and leading them to the wire. Joe Patchen was the only one that did not cover the mile without a break. On the stretch, when he was rapidly overhauling Robert J., he struck a wet piece of track, went into the air and finished a close second. Robert J. was driven hard, and it was evident that he had done his best when he made the wire in 2:05%. In the second heat Patchen went to the front and won as he did in the remaining two heats, with ease, although Geers did his utmost to urge Robert J. to the front, using the whip. The bay gelding was fairly beaten in as pretty

bay gelding was fairly beaten in as pretty a race as was ever seen, the time of the four heats being the fastest ever paced consecutively in a race, the average being a trifle more than 2:04%.

In the 2:11 trot, William Penn was made the favorite, with Klamath and Aunt Deliliah sold out of the field. In the first two heats Klamath took the lead and Lesa. Wilkes was close after him at such a pace that the mare won, Penn and Klamath chasing her home. Wilkes could not hold the pace she had set, however, and Klamath took the next three heats and the math took the next three heats and the race, with exciting finishes. Summaries:

A HORDE OF DETECTIVES.

They Are Carrying About All Sorts of Clews in the Gebhard Case.

Absolutely nothing of importance developed in the Ida Gebhard case yesterday. Several of the private detectives thought they discovered damaging evidence. The dress found in the Gebhard home by one of the private sleuths, which he thought was covered with blood, has been examined and found to have on it nothing but jelly. The private detectives are carrying around bunches of hair picked up in the neighborhood, rags, old hats and shoes, strings and many other things in which they see some directing evidence. The Indianapolis detectives are doing nothing in the case, that is, they did nothing yesterday. The murder was in another town and they simply offered their services. They found themselves handicapped by a horde of persons striving to get ahead of them in mad rush for the \$500 reward. The local detectives had no aid given them and it is thought that they have quietly withdrawn. If anything develops needing attention they are ready to assist.

AMUSEMENTS. Wildwood-"lolanthe" To-Night.

NEMTRALIZED

Another large audience witnessed the final performance of "Pinafore" by the Temple Offera Company at Wildwood Park last night. Great interest is manifested in the production of "lolanthe" to-night and to-morrow night. "Iolanthe" is the most delicate of all the famous Gilbert & Sullivan operas and particular pains have been taken to insure an excellent rendition. Mr. Temple was in the original cast of this opera in London and the role of the Lord Chancellor is his favorite work, Special new scenery has been prepared for the production and the rehearsals have been conducted with greater care than bestowed upon any of the operas given up to date.
Mr. Temple will be seen for the last time
this season in the two performances tonight and to-morrow night. Mr. Temple's
departure is made necessary by the fact
that he has been engaged to manage the
stage of Francis Wilson's company for this season and must report for rehearsals in "The Chieftan," the new Sullivan opera, next Monday morning at Abbey's Theater, New York. He has created a most favorable impression here and it is more than probable that Indianapolis will see him

again next season. The performance of "Iolanthe" will mark the first appearance in the Wildwood Opera company of Mr. Beaumont Smith, from Castle Square Theater, Boston, where there has been a series of light opera revivals this season. He will be remembered here as the comedian with Modjeska's company and will be with her again next season. Mr. Smith takes the eral winners. The surprise of the day was baritone role of Private Willis in "Iolanin the fourth race when the "world bester" the." The scenery for "Iolanthe" will be more elaborate than any shown heretofore Parliament as it appears illuminated. There is a large advance sale for both to-night and to-morrow night. The cast for "Iolan-the" is as follows:

"The Lord Chancellor".......Mr. Edward P. Temple
"Earl of Tolloller".......Mr. Harold Blake "Earl of Mt. Ararat"......Mr. Charles Hunting Mr. Charles Shackfor "Private Willis"..... "The Train Bearer"...Mr. Lee Daughert "Phyllis"....Miss Ada P. Walke "Iolanthe"......Miss Minnie Emmet "Celia"......Miss Grace Lindsay

The season of 1685-93 at the Park will be inaugurated next Monday afternoon with "The Smugglers," a sensational drama that was presented here with much success last season. It will run the first three days of next week, and will be followed on Thursday by "Mystic Mountain," a play new to Indianapolis, but said to be very strong scenically and otherwise. The company for the week is Arnold Wolford's, which is a greater of strong casts as Wolford alguarantee of strong casts, as Wolford al-ways has good people. There will be the usual daily matinees, and the Park's popular prices never change.
